## **1 INTRODUCTION**

This Agreement regulates the relationship between the Contracted Players and their employers (the Provinces or SARU). It is important for the interpretation of this Agreement that the reader understands the distinctions drawn between the different types and categories of Players, the different categories of Provinces by which the Players may be employed, the limitations imposed on Provinces in respect of how many Contracted Players in each category they may employ, and generally how these different categories of Contracted Players are dealt with as regards the employment relationship between the Contracted Players and the Provinces or SARU.

For this reason, the categories of Players and Provinces and the types of contracts that may be concluded between them, are dealt with first by way of introduction.

1.1 This Agreement recognises two main categories of Players, namely:

1.1.1 “Club Player” means a Player registered with a rugby Club anywhere in South Africa, who is not a Contracted Player, and who may play for a Province or SARU on an *ad hoc* basis provided that he enters into a Club Player Contract with the Province or SARU; and

1.1.2 “Contracted Player” means a Player contracted to play rugby for SARU or for a Province in terms of the Player Contracts provided for in schedules 1 to 9.

1.2 Contracted Players are subdivided into the following categories:

1.2.1 “National Player” means a Player with a SARU Player Contract to play for SARU;

1.2.2 “PONI” means a Player of National Interest with a PONI Player Contract to play rugby for a Province to which SARU is making a financial contribution in respect of such Player’s remuneration as set out in schedule 3 (more than one PONI shall be referred to as PONIs);

1.2.3 "Foreign Based Player" means a Player that has been selected to provide rugby-playing services to SARU on an *ad hoc* basis for a National Team but who is contracted to play rugby for an overseas rugby body;

1.2.4 "Provincial Player" means a Contracted Player with a Provincial Player Contract or Club Player Contract to play rugby for a Province as set out in schedules 4 and 8;

1.2.5 "Semi-Professional Player" means a Contracted Player who:

1.2.5.1 is expressly contracted as a Semi-Professional Player under a Semi-Professional Player Contract as contemplated in schedule 5; and

1.2.5.2 whose Player Contract permits him to be engaged in work or study on a full-time basis.

1.2.6 "Development Player" means a Contracted Player who:

1.2.6.1 is eligible to play in the Development Competitions; and

1.2.6.2 is expressly contracted as a Development Player under a Development Player Contract as contemplated in schedule 6.

1.3 Other references to types of Players:

This Agreement employs other terms that refer to Contracted Players and that relate to certain characteristics of the Contracted Player's relationship with a Province and/or SARU. These terms are not intended to expand the principal six categories of Contracted Players (namely National-, PONIs, Foreign-, Provincial-, Semi-Professional- and Development Players), but are intended to refer to specific characteristics of the existing categories. The following term is used in this Agreement:

1.3.1 "Loan Player" means a Player who is lent by a Province or an overseas rugby club to which he is contracted ("the Lending Province") or SARU to another Province ("the Borrowing Province") or SARU in terms of a "Loan Agreement"

- 4.3 The Parties agree to be bound by the provisions set out in this Agreement, including all schedules hereto and to act in such a way as to enable and promote the objectives referred to herein. The Parties further agree that any successor-in-title to any Party shall also be bound by these terms and conditions.
- 4.4 Unless expressly stipulated otherwise, this Agreement -
- 4.4.1 applies to the employment of Contracted Players by SARU or a Province, and matters ancillary thereto;
  - 4.4.2 takes precedence over a Player Contract, unless the Player Contract is more beneficial to the Contracted Player; and
  - 4.4.3 binds SARU, the Members of SAREO and the Members of SARPA; and, for so long as SARPA represents the majority of the Contracted Players employed by the Provinces and SARU, also binds all Contracted Players who are not Members of SARPA in terms of section 23 (1) (d) of the Act.
- 4.5 No agreement between SARU or a Province and a Contracted Player may, unless so provided for in this Agreement –
- 4.5.1 permit a Contracted Player to be paid Remuneration that is less than that provided for in this Agreement; or
  - 4.5.2 permit a Contracted Player to be treated in a manner, or to be granted any benefit, or be subject to any term, that is less favourable than that prescribed by this Agreement.

## **5 OBJECTIVES**

The Parties acknowledge that this Agreement has the following objectives:

- 5.1 To recognise the importance of regulating the Game and the relationship between Contracted Players, SARU and Provinces at a national and provincial level in South Africa;
- 5.2 To contribute to making the Game the best administered and most innovative sport in South Africa and globally;
- 5.3 To make the Game as attractive as possible to all its stakeholders, including the public;
- 5.4 To make the Contracted Players and SARPA stakeholders in the Game;
- 5.5 To promote pro-competitive behaviour amongst the members of SAREO and SARPA;  
and
- 5.6 To encourage and ultimately to require of the Parties to cooperate in achieving the objectives set out above.

- 6.1 This Agreement shall commence on the Commencement Date and shall replace the South African Rugby Industry Collective Agreement in force between SAREO, SARU and SARPA, at that time.
- 6.2 This Agreement shall endure for an initial period of 24 (twenty-four) months from the Commencement Date and shall, thereafter, continue indefinitely until terminated by either Party at 6 (six) months' written notice to the other.

### **SECTION TWO - SARU**

The provisions under this section governs the terms and conditions related to the contracting and/or utilisation of Players by SARU and the provisions in this Section Two are solely negotiated, agreed on and signed-off between SARU and SARPA from time to time.

## 7 DURATION OF PLAYER CONTRACTS

7.1 Save for the circumstances listed in clause 7.1.1 below, all Player Contracts shall be in writing and for a minimum fixed term of 12 (twelve) months, unless otherwise agreed to by SARPA.

7.1.1 A Player Contract may be for a period less than 12 (twelve) months when a Contracted Player has –

7.1.1.1 recovered from an injury; or

7.1.1.2 his relevant Player Contract expired during the period of injury; and

7.1.1.3 SARU wants to give him an opportunity to regain his playing fitness.

7.2 Unless advised to the contrary, as contemplated in this Agreement, and notwithstanding any previous renewals of Player Contracts, National Players will not have any expectation that their existing Player Contracts will be renewed or extended, nor shall they have any expectation of permanent employment beyond the term of their existing Player Contract.

7.3 It is recognised and acknowledged by the Parties that –

7.3.1 The composition and size of a professional rugby Squad is subject to continual and unpredictable changes and/or requirements from year to year due to a combination of factors, including changes in game plans, playing styles, player combinations, competition demands, and player budgets, the laws of the game, etc., and that SARU is accordingly unable to determine their National Team Squad requirements with any degree of accuracy on a continuous or long-term basis and they must accordingly rely on fixed-term contracts to satisfy their player requirements as identified for specific periods;

7.3.2 The contracting of Players and athletes on a fixed-term basis is a feature of professional sport throughout the world, and across professional sporting codes, and in international rugby in particular; and

7.3.3 The Parties therefore acknowledge and agree that there is a legitimate and compelling rationale for the use by SARU of fixed-term contracts of varying duration for the employment of Players.

7.4 Unless otherwise agreed to in writing, only the SARU CEO, or his delegate, is authorised to advise a National Player of SARU's intention to renew a Player Contract, and a National Player should not rely on any representations or undertakings made or given by any other person in this regard.

## **8 PLAYERS' REMUNERATION**

8.1 It is agreed that for the periods set out therein, the Remuneration set out in the applicable Remuneration Agreements will apply to the relevant National Teams and will be regarded as part of this Agreement. The Remuneration Agreements applicable at the time of concluding this Agreement, are attached as the Springbok Remuneration Agreement (Schedule 10), the SA A Team Remuneration Agreement (Schedule 11), the Under 23 Remuneration Agreement (Schedule 12) Springbok Sevens / Sevens Academy Remuneration Agreement (Schedule 13) and the Springbok Women Remuneration Agreement (Schedule 14).

8.2 The Remuneration of Players not currently covered by any Remuneration Agreement between SARPA and SARU will be dealt with on an *ad hoc* basis and agreed to from time to time, through negotiation and by agreement between the Parties.

8.3 The Remuneration of PONIs will be paid by SARU to the relevant Provinces and will represent such percentage of that PONI's annual remuneration as SARU in its sole discretion determines. The Provinces may not pay the PONI less than the PONI Remuneration in accordance with the PONI Contract.

## **9 SELECTION TO NATIONAL TEAM AND NATIONAL TEAM SQUADS**

9.1 The selection of a Player for a National Team shall be done by the appropriate National Team Selection Committee.

9.2 The conclusion of a Player Contract with a Player shall not guarantee the Contracted Player selection to a National Team or the National Team Squad, and the appropriate National Team Selection Committee, in accordance with Clause 9.1 above, shall have the sole discretion in respect of such selections and its decision in this regard will be final and binding.

**SECTION THREE – A**

For the avoidance of doubt – nominated Loyalty Players shall be included in the maximum number of 57 (fifty-seven) players referred to above i.e. if the International Franchise does not nominate Loyalty Players, then it may only have a maximum of 53 (fifty-three) PONIs and Provincial Players combined under Player Contracts;

10.4 An International Franchise (excluding the Cheetahs) may nominate a maximum of four PONIs and/or Provincial Players as Loyalty Players per Contracting Year.

10.4.2 The nomination shall be valid for the duration of the relevant Contracting Year.

A nominated Loyalty Player can only be substituted by another Nominated Loyalty Player in the course of a Contracting Year in the event of the first Loyalty Player being unable to play for an International Franchise after having sustained a long-term injury. For purposes of this clause a “long-term injury” shall mean any injury which shall prevent the Loyalty Player from rendering his rugby playing services to the International Franchise for a period exceeding 180 (one hundred and eighty) days. For the avoidance of doubt – a Loyalty Player who sustains an injury must continue to receive all the benefits in terms of his Player Contract, irrespective of such injury. Benefits may not be reduced if a nominated Loyalty Player is replaced by another Loyalty Player for whatever reason.

10.5 For the avoidance of doubt, the Cheetahs may not nominate Loyalty Players and the Total Annual Spend in respect of Loyalty Players stipulated in clause 13.1 shall not apply to the Cheetahs.

11.3.1.2 Club Players used as replacement players in Professional Competitions shall not be regarded as Contracted Players for purposes of determining the maximum number of Contracted Players utilised by an International Franchise in terms of clause

### **43 RENEWAL OF PLAYER CONTRACTS**

It is recognised and acknowledged by the Parties that –

43.1 the composition and size of a professional rugby Squad is subject to continual and unpredictable fluctuations from year to year due to a combination of factors, including changes in Game plans, playing styles, player combinations, competition demands, and player budgets; and that Provinces are accordingly unable with any degree of accuracy to determine their squad requirements on a continuous or long-term basis and they must accordingly rely on fixed-term contracts to satisfy their identified player requirements for specific periods;

43.2 contracting of Players and other athletes on a fixed-term basis is a feature of professional sport throughout the world, and across professional sporting codes, and in international rugby in particular;

- 43.3 there is a legitimate and compelling rationale for the use by Provinces of fixed-term contracts of varying duration for the employment of Players;
- 43.4 the conclusion of a fixed-term contract with a Player shall not give rise to any expectation that he will be offered a renewal or extension of that contract, or permanent employment at the end of that contract, unless the Contracted Player is advised to the contrary; and
- 43.5 unless otherwise agreed to in writing, only the CEO of a Province or SARU is authorised to advise a Contracted Player of the Province's or SARU's intention to enter into or renew a contract, and Contracted Players shall not rely on any representations or undertakings made or given by any other person in this regard.

#### **44 LOAN PLAYERS**

- 44.1 A Contracted Player may be loaned by one Province or by SARU to another Province or to SARU under a Loan Agreement OR by an overseas rugby club to a Province (not *vice versa*) under a Loan Agreement.
- 44.2 The Loan Agreement must be in writing and must be for a minimum duration of 12 (twelve) months unless the Loan Player has an existing Player Contract in place with a Province, which complies with the provisions of this Agreement.
- 44.3 In the case of a loan between Provinces, the Loan Player shall, for the duration of the Loan, not be regarded as a Contracted Player of the Lending Province for the purpose of applying the Maximum Player Limit in Clauses 10, 14 and 17 and shall for the duration of the Loan, be regarded as a Contracted Player of the Borrowing Province for this purpose.
- 44.4 The Loan Agreement must be concluded in writing between the Lending Province or SARU, the Borrowing Province or SARU and the Contracted Player and, once concluded, the Lending Province, Borrowing Province or SARU must make the Loan Agreement available to SARPA and to the Loan Player.
- 44.5 A Loan Agreement shall not in any way reduce the Remuneration or benefits that the Contracted Player is entitled to under his Player Contract with the Lending Province and,

for the purposes of this Clause, benefits shall include but not limited to medical aid cover, Temporary Disability insurance cover and Catastrophic Injury insurance cover.

44.6 The Lending Province or SARU and the Borrowing Province or SARU shall be jointly and severally responsible to ensure that their obligations in terms of Clause 44.3 are met towards the Loan Player.

44.7 Nothing in Clause 44.6 shall prevent a Borrowing Province or SARU from paying a Loan Player more than he would have received from the Lending Province.

#### **45 SELECTION TO TEAMS AND SQUADS**

45.1 The conclusion of a Player Contract with a Player shall not guarantee the Contracted Player selection to the Team or Squad of a Province or SARU, nor shall the conclusion of a PONI Contract, or the secondment of a Contracted Player to SARU, guarantee the Contracted Player selection to the National Team or National Team Squad.

45.2 Provinces and/or SARU shall have the sole discretion in respect of such selections and their decision in this regard will be final and binding. However, Provinces shall, in the interests of promoting transparency and at a Contracted Player's request, provide brief reasons to a Contracted Player for not selecting him.

#### **46 GENERAL DUTIES OF THE CONTRACTED PLAYERS**

46.1 This clause sets out the duties owed by Players to the Province or SARU whilst under contract to the Province or SARU, or whilst training and playing for a Province or SARU on an *ad hoc* basis.

46.2 National Players acknowledge that they provide services to SARU firstly and foremostly and in the case of non-National Players, they acknowledge that in the event of any conflict between duties towards SARU and a Province during Periods of Secondment, the duties towards SARU will outrank those towards the Province.

46.3 Subject to the foregoing, Players agree to perform all duties and responsibilities required of them including but not limited to –

- 46.3.1 acquainting themselves with, and abiding by, Laws of the Game, the by-laws and regulations of WR, SARU's constitution, SARU's code of conduct, regulations, policies and directions of SARU, and also those of the Province and any changes thereto;

- 46.3.11 honouring and abiding by any agreement concluded between SARU and the Players' Trust relating to the use of the Players' Collective Commercial Rights in a Team Context and in the event that no agreement or arrangement in this regard is entered into between the Contracted Player and the Players' Trust before or during the duration of this Agreement, the Contracted Player shall grant - at no cost - the unlimited use of his Players' Collective Commercial Rights to SARU and the Province;

member of the National Team or a Province's Squad during and within the scope of his employment while part of the National Team Squad or a Province's Squad. For the avoidance of doubt, the Player may not in the mentioned instances wear clothing with logos or brand names which are conflicting with those of SARU's and/or the Province's Authorised Sponsors while officially on duty, including but not limited to training, playing matches, travelling or appearing in public as a member of the National Team Squad or a Province's Squad;

46.3.14 not removing, altering or obscuring any logos, brand names or identification devices on the official clothing, equipment or accessories provided to the Player by authorised Sponsors;

46.4 A Player may not participate in a Professional Competition or a Development Competition for a Province unless the Player has concluded a Player Contract with a Province.

46.5 A breach of any of the above Duties shall constitute a material breach of the Player's Contract and may result in disciplinary action being taken against the Contracted Player which, in turn, may result in termination of the Player's Contract with the Province and/or SARU, should the circumstances warrant this and the proper procedures in terms of

Schedule 15 and the Codes of Good Practice and the other relevant provisions of the Act have been duly followed.

injury such as rock-climbing, bungee jumping, sky-diving, water skiing, jet-skiing, white water rafting, skateboarding, hang-gliding, quad-biking and motor-racing - failure to disclose such activities prior to engaging therein may lead to disciplinary action against the Contracted Player and could lead to the termination of the Player Contract; and

47.1.8 not engage in any use of a substance or practices which contravene the anti-doping regulations of either SARU or WR, as dealt with herein below.

47.2 Nothing in this clause 47 or anywhere else in this Agreement shall be interpreted to allow a Province or SARU to interfere with a Contracted Player's conduct after working hours and outside of the workplace, except insofar as expressly and specifically provided for herein and except insofar as such conduct may interfere with his ability to play the Game or his fitness and conditioning or materially affects the reputation of the Province or SARU or insofar as any such conduct may be in contravention of any policy and/or regulation of the Province or SARU.

#### **48 PROVISIONS RELEVANT TO PONIs**

48.1 A PONI will be released by a Province to SARU for a Period of Secondment and the PONI shall be obliged to join SARU during such Period of Secondment.

## **49 ANTI-DOPING**

- 49.1 It is acknowledged by the Parties that it is fundamentally important to the Game that the Game remains as free as possible from doping and the use of prohibited substances and methods.
- 49.2 SARU has introduced anti-doping regulations which are in line with principles established by WR and the World Anti-Doping Association. It is acknowledged that the Players will, from time to time, be tested not only under these regulations, but also under anti-doping rules applied by the South African Institute for Drug-Free Sport.

In the event that the Player's period of ineligibility is not decreased in terms of the decision of the relevant SAIDS or CAS panel or tribunal, as the case may be, these costs shall be repayable to SARU and SARPA by the Player. However, should the Player's legal representative advise SARU and SARPA that, based on all the evidence available, the Player's chances of success are remote, SARU and SARPA may in its discretion decide to withdraw any further funding.
- 49.5 In the event that a National Player is tested positive for a banned substance and accused of having committed an anti-doping offence, his/her contract may be suspended after three months from the date of being notified of such positive test, provided that SARU shall, prior to terminating the Player Contract, must have complied with its undertakings in clause 49.7 below and shall substantially comply with the procedures set out in the Labour Relations Act 66 of 1995 entitling the Player to a fair hearing. reimbursed for the income forfeited during the period that his contract was suspended for.

49.6 In the event that a Provincial Player is tests positive for a banned substance and/or is accused of having committed an anti-doping offence, his contract may be suspended after three months from the date of notification by the Anti-Doping Agency of such positive test, provided that:

## SCHEDULE 15

### DISCIPLINARY CODE AND PROCEDURE

#### 1. Introduction

- 1.1 Disciplinary action must be substantively and procedurally fair. Dismissal without a valid fair reason and not in compliance with a fair procedure is explicitly defined as an unfair labour practice in the Labour Relations Act of 1995.
  - 1.2 Procedural fairness is generally taken care of by the disciplinary procedure while the substantive aspects, i.e., the specific behaviour of players (who are the employees – which terms will be used interchangeably in this Schedule), are regulated by the disciplinary code and SARU Code of Conduct.
  - 1.3 The majority of disciplinary codes establish a list of offences. These are usually divided into minor/moderate offences such as lateness, horseplay, unauthorised absence, and serious offences such as theft, falsifying company records, malicious damage to property etc. A grid system of penalties is then linked to offences.
  - 1.4 Unilateral suspension of a Player would, however, constitute an unfair labour practice. Some serious offences may evoke a first penalty of a final written warning. Summary dismissal may be justified in cases such as gross negligence, dishonesty, refusal to work, extended absence without permission, intoxication, assault and insubordination
  - 1.5 The list of offences indicated below is not necessarily exhaustive and the penalties quoted must be regarded only as guidelines.
  - 1.6 Each case should ultimately be assessed on its own merits at the hand of justice and fairness and bearing in mind that there must be consistency and even-handedness in the implementation of this procedure and code.
-

## 2. Sanctions for individual misconduct

2.1 The recommended disciplinary action as described hereunder is the harshest action that may be taken against an offending Player and provincial- and/or SARU management should exercise discretion where necessary to ensure that an appropriate sanction is imposed. The sanction imposed will depend on the seriousness of the offence with particular reference to the project affected.

2.2 In addition to the gravity of the misconduct, the following factors will be considered:

2.2.1 Player's circumstances (including length of service, previous disciplinary record and personal circumstances); and

2.2.2 The circumstances of the infringement itself.

2.2.3 Unrelated offences will not be cumulative; any other offences may result in dismissal. Except in the cases of individual misconduct, which would constitute ground for dismissal, sanctions will generally be applied in the following sequence:

	Sanction	Valid for:
1	Corrective counselling	3 months from date of imposition
2	Written Warning	6 months from date of imposition
3	Final written warning	6 months from date of imposition
4	Dismissal	

- 2.3 All corrective counselling and written warnings will be recorded in the Player's personal file and will be removed on date of expiry. However, a non-punitive record will be kept for administrative and reference purposes.

### **3. Corrective counselling**

In the case of misconduct, which is not sufficiently serious to merit a more serious sanction, the Player's immediate superior must, where appropriate, counsel the Player, i.e., advise the Player and recommend a course of action in order to correct unacceptable behaviour. A Province and/or SARU must keep a record and should advise the Player of the consequences, should any misconduct re-occur.

### **4. Verbal Warning**

If, after counselling, the Player persists in certain unacceptable behaviour or if any conduct is regarded as sufficiently serious, the Player's next level of management must issue a verbal warning, provided the misconduct does not warrant more serious action.

### **5. Written Warning**

- 5.1 If, after a verbal warning, the Player persists in certain unacceptable behaviour or if any conduct is regarded as sufficiently serious, the Player's immediate manager must issue a written warning, provided the misconduct does not warrant more serious action.

- 5.2 The Player's manager will issue a written warning after a discussion at which the unacceptable behaviour has been pointed out to the Player and the reason why it is unacceptable, and an opportunity to respond has been given to the Player. The Player will be required to acknowledge receipt of the letter of warning and should he refuse to sign, then the signature of a witness to confirm that the warning letter was handed to the Player, should be obtained where reasonably possible.
-

## 6. Final Warning

- 6.1 A final written warning will be issued to a Player when there has been a further act of related misconduct while the employee has a valid written warning on record or in the case of any other misconduct which is individually, or cumulatively, regarded as sufficiently serious. The Player will be required to acknowledge receipt of the letter of warning and should he refuse to sign, then the signature of a witness to confirm that the warning letter was handed to the employee, should be obtained where reasonably possible.
- 6.2 Any further act of individual misconduct of a similar nature on the part of the Player during the validity period of the final written warning will place the ongoing employment of the employee in jeopardy. If an employee receives two final written warnings for unrelated offences, any next offence may warrant dismissal.

## 7. Dismissal

- 7.1 Dismissal is an appropriate sanction in the event of a Player being found guilty of a serious act of misconduct or in the event of the employee committing a further similar act of individual misconduct while a final warning is valid.
- 7.2 In the event of the possibility of dismissal, a disciplinary enquiry must be conducted as soon as reasonably possible.
- 7.3 In all cases, a disciplinary hearing must be held prior to a decision to dismiss.

1 <sup>st</sup> written Warning	Manager
2 <sup>nd</sup> written Warning	Manager
3 <sup>rd</sup> written Warning	CEO

## 8. Misconduct Notice

8.1 In the event of misconduct notice by a Player, which would appear sufficiently serious to warrant sanction more serious than a final written warning, the employee will be issued with a misconduct notice detailing:

- a) The alleged misconduct and, if requested, all relevant information that will be utilised;
- b) The time, date and venue for a disciplinary enquiry; and
- c) The right to representation.

## 9. Disciplinary Inquiry Rules

9.1 An inquiry must be held as soon as possible and within a reasonable time (at least 48 working hours) of management gaining knowledge of the alleged misconduct and having had sufficient time to properly investigate the matter.

9.2 The outcome of the enquiry, sanction-imposed and reasons will be confirmed in writing and the employee will be required to sign a duplicate of the letter to confirm receipt thereof.

## 10. Failure to attend an Inquiry

---

A Player who fails to attend the Inquiry after being notified in writing of the time and date thereof may, unless the reason for their non-attendance is reasonable, be disciplined in their absence.

**11. Dismissal: Forfeiture of notice**

Immediate termination without 1 (one) months' notice or contractual notice period is permitted when the Player is guilty of a summary dismissal offence as detailed in the disciplinary code.

## **SCHEDULE 16**

### **GRIEVANCE PROCEDURE**

The Grievance Procedure is a different procedure than the procedure provided for in the Constitution and Regulations of a Province and/or SARU. The Grievance Procedure is there to facilitate the expeditious handling and resolving of grievances experienced between the Player and a Province or a Player and SARU. A Player with a Tripartite Contract will during his Period of Secondment to the Province use this Grievance Procedure.

---

#### **WHAT IS A GRIEVANCE?**

A grievance is any form of dissatisfaction or feeling of injustice which the Player may have, and which warrants being brought to the attention of the Province or SARU, whichever is applicable.

#### **WHY IS A GRIEVANCE PROCEDURE NECESSARY?**

1. To assist with conflict management and to promote employment relations.
2. To provide a mechanism for the Player to communicate grievances to the Province or SARU.
3. To ensure grievances are settled as speedily as practicable, and at the lowest possible management level.
4. To prevent grievances from escalating.

#### **WHO MAY INVOKE THE GRIEVANCE PROCEDURE?**

Any Player who has a grievance is entitled to bring this to the attention of the Province or SARU, depending to whom the grievance relates to. A group of Players are also entitled to bring a

---

grievance to the attention of the Province or SARU, whichever is applicable, provided that they elect a spokesperson to act on their behalf.

### **WHAT ARE A PLAYER'S RIGHTS WHEN USING THE GRIEVANCE PROCEDURE?**

1. The right to representation by a fellow Player or SARPA representative/paid official.
2. The right not to be prejudiced or victimised as a result of raising a grievance.
3. The right to refer a grievance to the next stage of the Grievance Procedure where a level of management has been unable to resolve the grievance.

### **HOW DOES THE PROCEDURE WORK?**

The Grievance Procedure consists of various stages, with the object of resolving the grievance as quickly and at the earliest stage, possible.

#### **STAGE 1:**

The Player who wishes to raise a grievance must do so verbally with the Team Manager. If the grievance involves the Team Manager, it should be lodged directly with the CEO of the Province or SARU, whichever is applicable.

The grievance must be lodged by the Player as soon as possible after the occurrence which gave rise to it. If the Team Manager is unable to resolve the grievance within 2 (two) working days, the Player(s) may proceed to stage 2.

#### **STAGE 2:**

In this stage the grievance shall be recorded in writing on the standard grievance form as set out in Schedule VI and lodged with the Team Manager. If the grievance involves the Team Manager, it should be lodged directly with the CEO of the Province and/or SARU, whichever is applicable.

---

If the Team Manager concerned (or the CEO if the grievance involves the Team Manager) is unable to resolve the grievance within 3 (three) working days of the grievance being submitted, the Player may proceed to stage 3.

### **STAGE 3:**

Where a grievance is not resolved in stage 2, the Player should within 2 (two) days lodge a copy of the grievance form stating the reasons for failure to resolve the grievance as well as the solution sought in resolving the grievance, to the CEO of the Province or SARU, whichever is applicable.

The CEO must, within 2 (two) working days of receipt of the grievance form, convene a meeting with the Parties concerned, at which an attempt shall be made to resolve the grievance.

Should the grievance be resolved, the solution must be recorded in writing and signed by both Parties involved.

If the grievance remains unsolved, the Player may declare a dispute and refer the dispute to final and binding

Arbitration by an independent Arbitrator as contemplated in Clause 64 of the Agreement, without derogation of the Player's right to terminate this Agreement summarily upon the non-resolution of the dispute through the grievance procedure, as provided for in Clause 64 above. Such cancellation may then form the subject of a dispute for purposes of Clause 64 of this Agreement.

Pending the resolution of the dispute through arbitration, the Province or SARU, whichever is applicable, must continue making payment of the Player's Remuneration in the event that it refuses to issue the Clearance in respect of the Player. In the event that the dispute is arbitrated in favour of the Province or SARU, any such payment made to the Player in terms hereof will become repayable to the Province or SARU immediately upon the issuance of the Arbitration award and the payment thereof may be incorporated into the arbitration award.

## **SCHEDULE 18**

### **PERFORMANCE REVIEW PROCEDURE**

#### **(ONLY APPLICABLE TO CONTRACTED PLAYERS)**

#### **1. PURPOSE**

- 1.1 This procedure gives practical effect to the requirements set out in the Code of Good Practice, Schedule 8 of the Labour Relations Act. It sets out the requirements with which the Province or SARU must comply, including the procedures it must follow and the steps it must take, when managing a Contracted Player's performance. However, a pre-dismissal performance counselling process will not be considered unfair simply because of a non-material deviation from this procedure. In other words, the procedure set out below provides an assurance of what will be considered a fair procedure, but it is not meant to imply that any departure will automatically be deemed to be unfair. Where there is a departure, the question must be whether that departure has deprived the player of the full and material benefit of a fair process as required by this procedure. The particular circumstances of each case must be considered when undertaking this enquiry.
- 1.2 The underlying approach is that the Province or SARU should take all reasonable steps to address under-performance before deciding to terminate a Contracted Player's contract for poor performance or before initiating any disciplinary action in this regard.

#### **2. IDENTIFICATION OF PERFORMANCE STANDARDS AND CRITERIA**

At the beginning of the Contracted Player's contract the Province or SARU will, in consultation with the Player, identify the performance standards that the Player is required to meet, and the criteria for determining whether the Player has met those standards. If a Player has been contracted as a PONI, the performance standards required of the Player will be the standards required by any enhanced dietary, fitness

---

and skill programme put in Place jointly by the Province and the SARU Director of Rugby, as contemplated in this Agreement.

### **3. CONTINUOUS REVIEW OF PERFORMANCE**

The Province or SARU will monitor the Player's performance and provide him with feedback on a continuous basis.

### **4. THE PLAYER'S FAILURE TO MEET THE STANDARDS SET IN TERMS OF CLAUSE 2 ABOVE**

4.1 If the Player's performance does not meet the required standard, as conveyed to the Player in terms of Clause 2 of this Schedule, the Province or SARU will meet with the Player to identify –

4.1.1. the area/areas in which the Player is under-performing;

4.1.2. the possible causes thereof;

4.1.3. measures to address the under-performance;

4.1.4. the time period in which the Player must meet the required standard, which shall be reasonable in the circumstances.

4.2 Immediately after the meeting contemplated in Clause 4.1.4 of this Schedule, the Province or SARU must, directly following the meeting, communicate in writing to the Player -

4.2.1 The precise respects in which the Player is failing to meet the performance standards required of him by the Province;

4.2.2 The specific outcomes that are required from the Player in respect of each identified area of under-performance;

---

- 4.2.3 The timeframe for meeting the required performance standards;
- 4.2.4 The resources that the Province or SARU will make available to the Player to enable him to achieve the required performance standard;
- 4.3 Should the Player not meet the required performance standards within such timeframe the Province or SARU will either –
  - 4.3.1 grant the Player a further period of time (which must be reasonable in the circumstances) within which to meet the required standards; or
  - 4.3.2 If appropriate, having regard to all the circumstances and, in particular, the degree of improvement the Player has shown, convene a performance hearing, as envisaged in Clause 5 of this Schedule.

## **5. PERFORMANCE HEARING**

- 5.1 A Province or SARU may convene a performance hearing at least 72 (seventy-two) hours' written notice to the Player. The hearing shall be convened by written Notice to the Player, in which the Player is advised of the purpose of the Hearing and invited to show cause why his Player Contract should not be terminated on grounds of poor performance.
  - 5.2 A Province or SARU will conduct the hearing in the presence of the Player and his representative. The Player's representative may include a SARPA official or office-bearer, the Player's registered agent or manager, or a fellow Player.
  - 5.3 The Player and/or his representative will have the opportunity to show cause why it would be inappropriate to terminate his Player Contract on grounds of poor performance.
-

- 5.4 After considering the Player's submissions, the chairperson of the hearing will make his or her decision and give brief reasons for the decision. In giving his or her decisions, the chairperson will respond briefly to the representations made by the Player and/or his representative.
- 5.5 A Province or SARU may only terminate a Player's Player Contract on grounds of the Player's poor performance where –

  - 5.5.2 The Province or SARU has given whatever assistance it reasonably can be expected to give to the Player to enable the Player to meet the required standard;
  - 5.5.3 The Player has, despite being given such an opportunity and assistance, failed to meet the required standard; and
  - 5.5.4 No reasonable alternatives to termination of the Player's Player Contract exist.

## SCHEDULE 19

### GUIDELINE TO SARPA'S ORGANISATIONAL RIGHTS

The Collective Agreement embodying this Code grants SARPA rights of access,<sup>10</sup> time-off for SARPA office bearers to attend SARPA meetings and stop order facilities for membership dues. These rights derive from the Labour Relations Act 66 of 1995 ('the Act').

The Act also gives representative trade unions further organisational rights: the right to elect trade union representatives (shop stewards) and the right to information.

The purpose of this Code is to provide guidance on the exercise of these rights.

What rights and privileges are SARPA entitled to?

1. Union access to a workplace for purposes of recruiting and/or meeting with union Members / Players.
2. Deduction by a Province of union membership subscriptions from Players' salaries and paying these over to SARPA. The amount of the deduction is up to the SARPA to determine.

---

<sup>10</sup> The Labour Relations Act, 66 of 1995 provides as follows in respect of the right of access:

1. Any office-bearer or official of a representative trade union is entitled to enter the employer's premises in order to recruit members or communicate with members, or otherwise serve members' interests.
  2. A representative trade union is entitled to hold meetings with employees outside their working hours at the employer's premises.
  3. The members of a representative trade union are entitled to vote at the employer's premises in any election or ballot contemplated in that trade union's constitution.
  4. The rights conferred by this section are subject to any conditions as to time and place that are reasonable and necessary to safeguard life or property or to prevent the undue disruption of work.
-

3. Election of SARPA representatives (shop stewards).
  4. Special leave for SARPA activities, during normal working hours i.e., when Players who have been elected as office bearers want time off from their normal Duties for union purposes the law does not stipulate the amount of leave to be given, only that such demands must be reasonable. Most employers grant between 2 (two) and 10 (ten) days per year.
  5. Attend union conferences, meetings and training course.
  6. Attend grievance and disciplinary hearings to represent the accused Player.
  7. Check whether the Province is keeping to the law in their treatment of Players.
  8. Disclosure of information - SARPA can call for any information necessary to enable it to represent Players at disciplinary or grievance hearings, or to evaluate the treatment of Players. Note: there are various exclusions/exceptions laid down by the Act where the employer may not divulge certain information, including confidential, legally privileged information, etc.
  9. No short notice regarding the movement or rescheduling of practice sessions while there is a SARPA meeting scheduled.
  10. A minimum of 1 hour allowed for SARPA meetings with the Players.
  11. Team management is not allowed to attend the SARPA meetings other than by invitation from SARPA.
